

# Safety data sheet

## 259 Maintenance Paste

### 1. Identification of the substance/preparation and of the company/undertaking

Prepared on: 01-03-2010/ LFH Replaces: 01-02-2008	Distributor: <b>WoodCare Denmark A/S</b> Tværvej 6 6640 Lunderskov
<b>Product use:</b> Surface treatment of wood indoors	<b>Tel:99585600 Fax:99585634</b> <b>Emergency telephone number: 99585600</b> <b>The emergency telephone is open between 8 a.m. and 4 p.m. on workdays.</b> <b>Contact person:Environment Directorate</b> <b>Email: info@ttwoodcare</b>

### 2. Hazards identification

<b>DSD/DPD-classification</b> The product shall not be classified as hazardous according to the national classification and labelling rules.
<b>Additional information</b> Prolonged or repeated inhalation of vapours may cause damage to the central nervous system. Risk of self-ignition: Due to the risk of self-ignition it is important that sanding dust and oil wetted cloths are soaked in water and disposed of in a tightly closed container after use

### 3. Composition/information on ingredients

Einecs no.	CAS No.	Substances	DSD-Classification	w/w%
265-149-8	64742-47-8	Distillates (petroleum), hydrotreated light	Xn;R65-66	3-5 4
265-150-3	64742-48-9	Naphtha (petroleum), hydrotreated heavy	Xn;R65,R66	25-35 4

4) R65 is not applicable due to the high viscosity of the product.  
Please see section 16 for the full text of the R-phrases

### 4. First aid measures

<b>Inhalation</b> Seek fresh air.
<b>Ingestion</b> Rinse mouth thoroughly and then drink plenty of water. If vomiting occurs, keep head low so that stomach contents do not enter lungs. Seek medical advice if symptoms persist.
<b>Skin</b> Wash skin with soap and water.
<b>Eyes</b> Rinse immediately with water (preferably using eye wash) for at least 5 minutes. Open eyes wide. Remove any contact lenses. Seek medical advice if irritation persists.
<b>Burns</b> Rinse with water until pain stops. Remove clothes which do not adhere to the body - seek medical advice, if possible continue rinsing until doctor takes over treatment.
<b>Other information</b> When obtaining medical advice, show the safety data sheet or label. Symptoms: See section 11.

Prepared on: 01-03-2010/LFH  
Replaces: 01-02-2008

## 259 Maintenance Paste

### 5. Fire-fighting measures

Extinguish with powder, foam, carbon dioxide or water mist. Do not use water stream, as it may spread the fire. Use water or water mist to cool non-ignited stock. Move containers from danger area if it can be done without risk. Avoid inhalation of vapour and flue gases – seek fresh air.

### 6. Accidental release measures

Prevent spillage from entering drains and/or surface water.

### 7. Handling and storage

#### Handling

See section 8 for information about precautions for use and personal protective equipment.

#### Storage

Store safely, out of reach of children and not together with food, animal feeding stuffs, medicines, etc. Do not expose to heat (e.g. sunlight). Store frost-free. Keep in tightly closed original packaging.

### 8. Exposure controls/ personal protection

#### Precautions for use

Use the product under well-ventilated conditions.

#### Respiratory protection

Not required.

#### Gloves and protective clothing

Wear protective gloves made of nitrile rubber,

#### Eye protection

Wear safety goggles if there is a risk of eye splash.

#### Occupational exposure limits

Ingredients	Exposure limit	Remarks
Naphtha (petroleum), hydrotreated heavy	900 (8h), mg/m <sup>3</sup>	-

#### Control methods

Compliance with the stated occupational exposure limits may be checked by occupational hygiene measurements.

### 9. Physical and chemical properties

State: Paste

Flash point: -°C 61

Density: - g/ml 0,9

### 10. Stability and reactivity

The product is stable when used in accordance with the supplier's directions.

Prepared on: 01-03-2010/LFH  
Replaces: 01-02-2008

## 259 Maintenance Paste

### 11. Toxicological information

#### **Acute**

##### **Inhalation**

The product releases vapours from organic solvents which may cause lethargy and dizziness. At high concentrations, vapours may cause headaches and intoxication.

##### **Ingestion**

Ingestion may cause discomfort.

##### **Skin contact**

Degreases and dries the skin. Repeated exposure may cause skin dryness or cracking.

##### **Eye contact**

May cause eye irritation.

#### **Long-term effects**

##### **May cause damage to the central nervous system**

Prolonged or repeated inhalation of vapours may cause damage to the central nervous system.

### 12. Ecological information

Avoid discharge to drain or surface water.

### 13. Disposal considerations

Contact the local authorities.

### 14. Transport information

The product is not covered by the rules for transport of dangerous goods by road and sea according to ADR and IMDG.

### 15. Regulatory information

**Hazard designation:** It has been assessed that the product shall not be classified as hazardous according to the national classification and labelling rules.

#### **Other labelling**

#### **Volatile organic compounds (VOC):**

This product contains a maximum of 265 g VOC/L. The limit value is 500 g VOC/L (cat. A/i)

#### **Chemical safety assessment**

Chemical safety assessment has not been performed.

### 16. Other information

#### **Restrictions on use**

#### **Training requirement**

No special training is required, but a thorough knowledge of this safety data sheet should be a prerequisite condition.

#### **Sources used**

#### **Other information**

This safety data sheet was prepared from information provided by the supplier about physical/chemical properties and all ingredients in the product.

#### **Full text of the R-phrases that are stated in section 3.**

R65 Harmful: May cause lung damage if swallowed.

R66 Repeated exposure may cause skin dryness or cracking.

#### **Amendments have been made in the following sections**
